U.S. Application No. 08/650719**Title: ASYNCHRONOUSLY-ACCESSIBLE MEMORY DEVICE WITH MODE SELECTION CIRCUITRY
FOR BURST OR PIPELINED OPERATION**

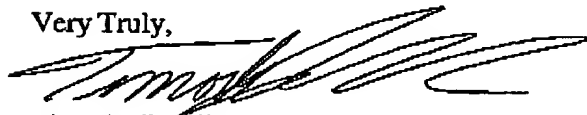

Examiner Kim:

Per your conversation with attorney Mark Muller today, attached is a copy of the Amendment and Response as faxed to the USPTO on June 17, 2003. I've also attached a copy of the USPTO Auto-Reply Fax Receipt as evidence that this Response was received by the Office on June 17, 2003. As this Response was filed before the 2-month date for Response to the Final Office Action, we believe an Extension of Time is not necessary.

Please contact attorney Mark Muller at 210-308-5677 when you receive this fax to verify receipt and to discuss prosecution options.

Please charge any additional fees or credit any overpayment to Deposit Account No. 19-0743.

Very Truly,

Timothy B. Clise
Reg. No. 40,957

This transmission contains information that is confidential and/or legally privileged. It is intended for use only by the person to whom it is directed. If you have received this facsimile in error, please notify us by telephone immediately so that we can arrange for the return of the original documents to us. If you do NOT receive all of the pages, please telephone us in the U.S.A. at (612) 373-6900 or FAX us at (612) 339-3061.

ADVISORY: This is an automatically generated return receipt confirmation of the facsimile transmission received by the Office. Please check to make sure that the number of pages listed as received in Total Pages above matches what was intended to be sent. Applicants are advised to retain this receipt in the unlikely event that proof of this facsimile transmission is necessary. Applicants are also advised to use the certificate of facsimile transmission procedures set forth in 37 CFR 1.8(a) and (b), 37 CFR 1.6(f). Trademark Applicants, also see the Trademark Manual of Examining Procedure (TMEP) section 306 et seq.
